

Terror Club Aquatics Facility Rules

1. All patrons are required to sign the daily log upon entering.
2. Children under 10 years of age must be accompanied by and under the direct supervision of an adult (individual whose minimum age is 18 years). Children between the ages of 10 and 17, if left unattended, must demonstrate the ability to pass the swim test.
 - a) Swim test requirement: the child must jump into the deep end of the pool, fully submerge, return to the surface and immediately swim one full length of the pool unassisted and without rest. Swimmers must use a recognizable swim stroke for the entire distance. After completing the swim, the child must tread water, keeping their head above water for 60 seconds. Once complete, the child will receive a Navy Youth Swim License.
