### Transportation

Map mobile application for directions include Google Maps and [gothere.sg/citymapper](http://gothere.sg/citymapper)

#### MRT/Bus

- All credit cards/debit cards/Apple Pay can be used on MRT/buses for travel.
- The Sembawang MRT station is walking distance from Sembawang Naval Installation.
- You must "hail" the public bus. Buses do not automatically stop at bus stops. When you see your bus number approaching, raise your arm to flag the bus.
- Bus fare is usually between SG\$1.00 and SG\$2.00. You will not get change if you "overpay" so exact change is recommended. Check the map at the bus stop for the cost to travel to a specific stop. Best bet is to tap ON & Off using Credit Card/Apple Pay.
- If you have an EZLink MRT card/Paynow/enabled Credit Card/Apple Pay, place your card on the pay box at the front of the bus. Before you exit the bus you MUST tap your card on the box again. Enter through the front door and tap and exit at the rear exit door.
- To stop the bus, you will need to hit the "Stop" button prior to your stop. The "Stop" buttons are located on the window panes or the vertical hand rails at the end of the seats or on the aisle.

#### TAXI/Ride Hail

- Taxi mobile apps include Grab, Gojek, and CDG Zig (all similar to Uber). Taxis with green lights can be also be hailed along the road.
- Set your location/destination by address or by postal code. For example, the postal code for Terror Club is 759657, or you can set pickup location as "1 Deptford Rd. taxi stand." Changi Naval base pickup location is "Changi Naval Base taxi stop," outside of the base next to the Post Office.
- Booking fees are added to fares for taxis obtained by phone or app, as well as hailed taxis. No fees apply when picked up at designated taxi stands.
- Additional peak-hour and location-based surcharges may apply.
