YOUTH SPONSORSHIP VOLUNTEER (GRADES 6-12)

As you know, packing up your belongings, saying good-bye to friends, and moving to a new place and new country can be tough. It can be very exciting too! Youth Sponsorship is one way to make this whole thing about moving a bit easier. The goal of the Youth Sponsorship program is to provide new youth who are moving to Singapore an avenue to get connected with new people and activities. This is also a good way for them to find out information about Singapore.

Take a minute to complete the information below. We will keep your application on file and when we have a request for youth sponsorship that matches up with your age or interests, we will contact you.
